DAILY TRIBUNE.

WRIGHT, MEDILL & CO.,
No. 51 CLARK STREET.

J. C. VAUGHAN, G. H. RAT, EDITORS.

CITY OF CHICAGO.

Tuesday Morning, April 8, 1856.

The Missionary Work.

The Great Men from N. H. fished in Galena, arrived on the Boston express train last night, at the arrival of the mails. Back to Galena we go to-day. Paid and all pious intermediate, though it is not probable that the first one attempting the boycott will go through.

The Missionary Work Continued.

That class of citizens who are designated Committee have issued a call for a National Nominating Convention, to meet at Syracuse, New York, on May the 29th.

They are dissatisfied with all existing parties. Name of them go for the abolition of Slavery? They say the call. "The Republican party opposes the introduction of Slavery into Territories." Democrats say the same thing. "The Slave States must do their own work" and "abhor all conspiracies" to it, "all terms to the wholesale piracy." "Slavery not known in Kansas" is that "to be declared and only principle."

The silence says:

"Slavery is a question purely that does not rise to the level of sectionality nor is it entitled to any such notice by it. To enjoy the benefits of the Union, and to participate in the honors and the progress of the country, it is not necessary that any State should change its institutions. It is only necessary that they should not attempt to force them upon the other States. The people of the Territories are to be left free to regulate their own domestic affairs in their own way, subject only to the limitations of the Constitution."

The Missionary Chicago this missionary of pronouncement in which she is entitled, and which the Hooligan Journal will not deny her, we do not understand or desire Missionary Chicago to go to Kansas to settle the question of Slave policy. That was settled, unless we are much mistaken, by the Missionary Chicago of the Union before the Kansas Missionary Chicago was born. Missionary Chicago will be content with the decision of the Missionary Chicago of the Union, and will not go to Kansas to settle the question. Missionary Chicago will be content with the decision of the Missionary Chicago of the Union, and will not go to Kansas to settle the question. Missionary Chicago will be content with the decision of the Missionary Chicago of the Union, and will not go to Kansas to settle the question.
